Secretary American Numismatic Assn.

Dear Sir:

I have quite a few old
gold coins including U.S. \$3.00 and
50¢ pieces, that I wish to dispose

of. Can you give me the address
of reliable parties that are in
the market for such coins and
from whom I could expect
fair treatment.

Thanking you for any
information you may give.
Yours very truly,

Dear Sir:

In response to your letter of the 23rd ulto., I have every confidence in recommending to you Mr. Wayne Raymond as a coin dealer such as you desire to be put in touch with. If you will write to him, he will gladly furnish you the information you desire, but a much more satisfactory method would be for you to send the coins to him by registered mail, or by express, as much depends on the condition of the pieces.

I am sending a carbon of this letter to Mr. Raymond, in order that he may be put in touch with the situation.

Very respectfully yours,

Secretary.
